

NOTICE ON SAUDI LAWS AND REGULATIONS

I, the undersigned, do not object to undergoing a fingerprint and retinal scan in accordance with the automated system the government of the Kingdom of Saudi Arabia is implementing for citizens and foreigners. The system conforms with the current international trend to verify identity based on these biometric identifiers in a civilized and organized manner, and is used in many countries.

During my stay in the Kingdom of Saudi Arabia, I also agree to abide by all its laws and regulations and to respect its customs, social values and the sensitivities of its citizens. I also agree not to introduce any materials into the Kingdom that contradict the Islamic religion or to engage in any activities that violate Saudi law. I am fully aware that intoxicating materials, narcotics and pornographic materials are not permitted in the Kingdom. It is a capital offense to smuggle and distribute narcotics in Saudi Arabia.
